“We had a great time here in Berlin, learning how to apply innovations in the cities of Latin America. It was an excellent opportunity to generate collaboration between different stakeholders who are shaping smart cities in Europe. They have the experience that we can put in practice in Latin America.”

Nicolas Sifas
Secretary Rapporteur of the Commission of Modernisation,
Citizen Participation and Technological Innovation of the
Senate of the Province of Buenos Aires

Executive Seminars (3 days)

Participants are introduced to the main academic concepts in a specific field as well as their practical application. They work on case studies and discuss phenomena against the background of their own experience.

Price (per seminar): € 1,890

Workshops (4 days)

The **Berlin Workshop** allows participants to experience the German machinery of government and policymaking first-hand and interact with experts, policymakers and practitioners working in and for the German government system.

The **Brussels Workshop** familiarises participants with European decision-making and includes meetings with high-level representatives from European institutions, associations, NGOs and companies.

Price (per workshop): € 3,000

Skills Training (2 days)

Participants develop knowledge and skills that can be directly applied in the workplace.

Price (per training): € 1,890

Executive Certificates (9–12 days)

Certificates focus on a specific area of interest and can be obtained by combining 3 executive seminars and 1 skills course. In addition to seven Hertie School certificates, two certificates can be obtained by visiting courses at both the Hertie School and ESCP Europe.
