If space is available, the Hertie School will provide the participant with an e-mail confirmation of his/her registration and with payment details. If a course is already fully booked, the participant will be placed on a waiting list of applicants and contacted as soon as space becomes available.
- 1.2. A registration becomes binding with the receipt of the confirmation e-mail. Please note that participation is only guaranteed after the Hertie School has received the full payment fee. **The payment fee must be received by the Hertie School 2 weeks before the course at latest. For later payments, the Hertie School needs to be informed and agree to the late payment.** Incidental banking fees have to be covered by the participant.

- 2.1.2. A **transfer** to another course within the same academic year is possible free of charge, provided that space is available.
