Sunday 26 April 2015

11:00  Hertie School Country Ambassadors Meetings
   For current Hertie School Country Ambassadors and those interested in becoming an Ambassador

12:00  Farewell Brunch
   Presentation by the Alumni Council | Q&A

The Hertie School of Governance reserves the right to publish photographic and film documentation of the event in print, online, and audiovisual formats.
There are several opportunities for you to get involved in the alumni community and benefit from being a member. Here’s how you can get involved:

Become an Alumni Council Representative
The Alumni Council aims to strengthen the relationship between alumni, the Hertie School and current students. Among its duties, the Council organizes the reunion, gives out the Alumni Achievement Award and administers the Hertie Internship Fund. The members of the council are elected as Alumni Council Representatives. The current members are: Sascha Matthias Heller, Katri Kemppainen-Bertram, Alice Kersting and Claudia Müller. The next round of elections will be held in summer 2015.

Become a Hertie School Country Ambassador
As Hertie School Country Ambassador, you will represent the Hertie School in your country of residence. You support the school by providing prospective students from your home area with information on the programme and student life at the Hertie School. If you are a Hertie School Country Ambassador or interested in becoming one, please join the Hertie School Country Ambassadors meeting on Sunday, 26 April at 11 am.

Join a Hertie-“Stammtisch”
Meet up with alumni in your current town or city and reminisce about your days in Berlin and catch up on your career and personal lives since graduation. There are already regular Hertie “Stammtische” in Berlin.

Join the LinkedIn Alumni & Students Group and the Facebook Hertie School Alumni Group
Alumni (and students) are invited to join the official Hertie School Alumni & Students Group and the “Hertie School Alumni” Facebook group. These are great places for networking, as well as sharing news, prospective job postings, and other professional resources.

Become a speaker at the Hertie School
Become a speaker for our Professional Perspective Series. By sharing where your career path has taken you after your studies at the Hertie School, current students will have the opportunity to broaden their understanding of possible career options for them.

Become a mentor
Share your knowledge, provide support, job search advice or career guidance to current students. Being a mentor means helping students explore their options during and after graduation. It also helps you keep connected to the Hertie School and to play a key role in building a dynamic Hertie School community.
Become a tandem partner
Do you want to boost your language skills in any of your foreign languages? If you are based in Berlin, sign up for the tandem program and practice with a tandem partner from the international student body at the Hertie School.

Provide an Internship or Professional Year
If your company provides internships or Professional Year positions that would suit Hertie School students’ profiles, please contact our Careers Department. Or, support Hertie School students finance their internships with a donation to the Hertie Internship Fund from Alumni (HIFA).

Benefit from discounts on open enrolment programs
All alumni of Hertie School degree programs are eligible for a 20% discount on our open enrolment programs (Executive Seminars and Certificates).

Enjoy lifelong career services
If you have any career related questions after graduating and successful job entry, you can still get in touch with career services and schedule a meeting for individual coaching – in person, on the phone or via skype.

Alumni Merchandise
We now have official alumni merchandise. This is our shop: http://hertieschoolalumni.spreadshirt.de
